

## Dr inż. Piotr Podziewski

### CONTACT

Department of Mechanical Processing of Wood  
Institute of Wood Sciences and Furniture  
Warsaw University of Life Sciences - SGGW  
room no. 2/54, building no. 34  
159 Nowoursynowska St., Warsaw 02-787, Poland  
Phone: +48 22 59 385 74  
e-mail: piotr\_podziewski@sggw.pl  
http://piotr\_podziewski.users.sggw.pl

### EDUCATION

Occupational titles and science degrees	Date (year)	Institution
<b>Master engineer</b> of Wood technology	2009	Faculty of Wood Technology Warsaw University of Life Sciences - SGGW
<b>Doctor</b> of forest sciences in field of wood technology	2015	

### PROFESIONAL COMPETENCE

Stanowisko	Rok	Miejsce zatrudnienia
Asystent	2013	Department of Mechanical Processing of Wood Faculty of Wood Technology Warsaw University of Life Sciences - SGGW
Adiunkt	2015	

### SELECTED CURRENT FUNCTIONS

- supervisor of the CNC Machine Tool Scientific Group
- coordinator for the Quality of Education in the faculty of Wood Technology

### DIDACTIC

- lectures: design and manufacture of furniture with a metal support structure, design and manufacture of metal interior furnishings, cutting wood and tools, flexible manufacturing automation, furniture production planning and control systems, optimized furniture production;

### SCIENCE

#### Science research:

- machinability of wood-based materials;
- automatic monitoring and quality assessment systems;
- optimization of machining processes on computer-controlled machine tools.
